

DAL

SCENTED AND LIGHTLY ABRASIVE CREAM DETERGENT

- It cleans quickly without scratching
- Ideal for eliminating all types of stains from stainless steel, ceramic, chrome and laminated surfaces
- Pleasant citrus scent

The combined action of the synergising surface-active agents and micronised powders makes cleaning quick and effective without leaving streaks and without scratching.

HOW TO USE

Pour small quantities of DAL directly onto a sponge cloth. Wipe and rinse.

DILUTION

Ready to use.
